

## Virtual Learning Requirements

All our sessions are run on google meets/classrooms.

### Lesson Access-Google mail accounts

**Students need a Gmail account to access their classroom and resources.**

- It is free to open a google mail account, you can open a new one [here](#).
- Learners under 18 are only allowed to attend sessions with email accounts registered to either a parent or guardian over the age of 18.
- For safeguarding reasons, functions such as chat and video recording are permanently disabled for students. Students will have the opportunity to ask questions live and work on whiteboards.

### Internet Connection

All students need a fast a reliable internet service to get the best of the sessions.

### Audio

Students are allowed to use headphones or earphones for their lessons.

### Noise/Conducive Environments

It is advisable for all students to attend their sessions in a quiet and conducive learning environment. Where possible, students should use a desk and a table.

### Utensils

All students are required to have a pencil, sharpener, eraser, notebook, and a music manuscript book for practice. Music buddy is available to purchase in our store.

### Assignments

Students must complete their homework and follow-on tasks by the due date each week.

### Registration

Upon registration, each student will be required to complete an entry test to determine the student's level.
