## OUR SERVICES

### MUSICAL THEATRE AND PRODUCTION:

Our musical and theatre production is designed to train pupils in the performance of famous shows through weekly workshops in a combination of songs, spoken dialogue, acting and dance. Our productions are selected from a range of Broadway shows including Disney Classics. You are welcome to join the selection process for a suitable show for your school.

**LICENSING:** Please note that a licensing cost/fee would be included in our fee subject to how much our chosen show is currently licensed for by Musical Theatre International. This will enable them release all the resources required for the show such as scripts, musical score, vocal guide scores, performance tracks, marketing materials, props and costumes

**Programme Duration:** 6 months (3 term day sessions per week- 3 hours daily)

#### Team Required:

- Music/Creative Director
- Drama & Stage Director
- Production Crew (Optional)

**Outcome:** A ticketed production (showcase) in a local theatre or school event hall at the end of the programme. This event will be open to the public especially family and friends of participants. Proceeds from the event would be split by ratio between your organisation and New World Entertainment subject to a contractual agreement.

**Production Venue:** Please note that costs related to any external venue hire would be covered by you. If applicable, the venue must be booked no later than 2 weeks before training and rehearsals begin with your school.

**Costumes:** Please note that students will be required to either purchase or hire their own costumes which we will give descriptions for depending on production.
